Personal data is kept as long as the person is likely to perform one of the functions mentioned above or to submit a new notification or request for a licence.

This personal data may be compared with other information collected by the CAA, but it is not subject to an automatic decision making process.

These personal data will be processed as part of the CAA's legal tasks and may be communicated to other European authorities with whom the regulations applicable to the CAA require international cooperation.

In accordance with Chapter VI of the amended law of 2 August 2002 on the protection of individuals with regard to the processing of personal data and in accordance with Regulation (EU) 2016/679 of 27 April 2016 on the protection of individuals with regard to the processing of personal data and on the free movement of such data, the person concerned has certain rights, including in particular the right of access to information concerning him/her, the right to rectify inaccurate information or the right to lodge a complaint with a supervisory authority.
